1 THE COURT: All right. Everyone have a
2 seat.

3 All right. Does the Government have its
4 next witness or evidence. Ms. Armijo?

5 MS. ARMIJO: We do. We're looking for Mr.
6 Castellano. Here he is.

7 THE COURT: Is he your next witness?

8 MR. CASTELLANO: I hope not, Your honor.

9 Instead, I'd rather call Amber Sutton,
10 Your Honor.

11 THE COURT: Ms. Sutton, if you'll come up
12 and stand next to the witness box on my right, your
13 left, before you're seated, my courtroom deputy,
14 Ms. Bevel, will swear you in.

15 AMBER SUTTON,

16 after having been first duly sworn under oath,
17 was questioned, and testified as follows:

18 THE CLERK: Please state your name and
19 spell your last name for the record.

20 THE WITNESS: Amber Sutton.

21 THE COURT: Ms. Sutton.

22 THE WITNESS: S-U-T-T-O-N.

23 THE COURT: Ms. Sutton.

1 DIRECT EXAMINATION

2 BY MR. CASTELLANO:

3 Q. Good afternoon, Ms. Sutton.

4 A. Hello.

5 Q. Can you tell us in which state you were
6 living in November of 2012?

7 A. Belen.

8 Q. And if you could do me a favor and move a
9 little bit closer to the microphone.

10 A. Belen.

11 Q. Thank you. And at that time, did you know
12 somebody named Adrian Burns?

13 A. Yes.

14 Q. How did you know him?

15 A. He was my boyfriend.

16 Q. In November of 2012, how long had the two
17 of you been together?

18 A. Three and a half years.

19 Q. Did you have any children together?

20 A. Yes.

21 Q. And did you have a daughter or a son?

22 A. A son.

23 Q. How old was he at that time?

24 A. 11 months old.

25 Q. Can you tell the members of the jury what

1 Mr. Burns did for a living?

2 A. He sold drugs.

3 Q. And do you know what type of drugs that he
4 sold?

5 A. Heroin.

6 Q. Did you know him to sell any other kinds
7 of drugs, or was it just heroin?

8 A. Just heroin.

9 Q. At that time was he a heroin user himself?

10 A. He did the methadone program. He was a
11 recovering heroin addict.

12 Q. Was he doing methadone to try to get off
13 of heroin?

14 A. Yes.

15 Q. And as long as the two of you were
16 together, were you aware that he was selling heroin?

17 A. Yes.

20 A. Yes.

1 A. He would meet them --

2 MS. TORRACO: Objection. Calls for
3 speculation. The witness isn't competent to answer
4 that question.

5 THE COURT: Well, lay some foundation so
6 we can see how she knew.

7 MR. CASTELLANO: Sure, Your Honor.

8 BY MR. CASTELLANO:

9 Q. I asked you previously if you were ever
10 around when he dealt drugs.

11 A. Yes, I was.

12 Q. That's what I want to ask you is the times
13 that you were present with him, how would he
14 normally sell drugs?

15 A. Individuals would come to our window, the
16 driver window, and he would pass the drugs through
17 the window.

18 Q. Okay. You mentioned a driver window.
19 Then, would you normally drive to a location -- or
20 would he drive to a location and sell drugs to
21 somebody?

22 A. Yes.

23 Q. At some point in time, did you try to
24 steer him away from dealing drugs?

25 A. Yes.

2 the time about that?

3 A. Yes.

4 Q. So you told us that you've known some of
5 his customers. Did you ever know the Gallegos
6 brothers?

7 A. Yes.

8 Q. Did you ever get a chance to meet them
9 when he was selling to them?

10 A. Yes.

11 Q. And when I say the Gallegos brothers, can
12 you tell me what their names are?

13 A. Joe Lawrence and Smiley.

14 Q. And were those the names that you knew
15 them by?

16 A. Yes.

17 Q. I mentioned the brothers together. Were
18 there times when they were both together when Adrian
19 would sell them drugs?

20 A. Yes.

21 Q. Did you ever see -- were you ever present
22 when just one of the brothers showed up?

23 A. There was occasions, yes.

1 A. Sometimes it varied. Sometimes it was
2 Smiley, sometimes it was Joe Lawrence.

3 Q. But for the most part, would you say that
4 they were usually together?

5 A. Yes.

6 Q. When Mr. Burns sold drugs, what type of
7 amounts or -- either in terms of dollar amounts or
8 weights would he sell, if you know?

9 A. He would sell them in 20s.

10 Q. Did you ever know him to sell in larger or
11 smaller amounts than 20s?

12 A. There was times in dimes, 10s.

13 Q. And were you aware of any special way he
14 would package the drugs? Did you ever get a chance
15 to see them?

16 A. Adrian would cut Walmart bags, and put the
17 heroin in the Walmart bag, and then seal it over
18 with tin foil. The 20s were 20s; the 10s were
19 marked with a red dot.

20 Q. And the times you remember the Gallegos
21 brothers buying drugs from him, did they always have
22 money for the drugs?

23 A. No.

2 foundation. I think it's sufficiently clear, but
3 how she knows that they wouldn't have.

4 MR. CASTELLANO: I'll ask another
5 question, Your Honor.

6 BY MR. CASTELLANO:

7 Q. How did you know that the Gallegos
8 brothers didn't have enough money for the drugs?

9 MR. BENJAMIN: Objection, Your Honor, to
10 the extent that calls for hearsay.

11 THE COURT: Well, how do you want him to
12 lay the foundation, then?

13 MR. BENJAMIN: How many times did she go?
14 How many times did she see? That's a non-hearsay
15 answer, Your Honor.

16 THE COURT: Well, don't say what was said
17 yet, but --

18 MR. CASTELLANO: I believe these would
19 also be statements by a party opponent.

20 THE COURT: I think they would, too. I'm
21 not sure there is much danger here.

22 MR. BENJAMIN: May we approach, Your
23 Honor?

24 THE COURT: You may.

2 THE COURT: This may be one of the
3 situations, careful what you ask for.

4 MR. BENJAMIN: Your Honor, as I said, I
5 asked for a foundation. But the issue is if she
6 goes into some of the statements -- I think there
7 was a pretrial motion in limine on what statements
8 were going to be allowed to come in. That's not one
9 of the statements. But the statements that were
10 going to come in -- there was a drug debt -- those
11 are farther down the line. I'm not objecting to
12 foundation on those. But also those other
13 statements, I didn't raise that prior to that
14 testimony coming in today. I want to raise a
15 confrontational issue.

16 MS. TORRACO: I filed a motion over
17 lunch -- I'm sorry to interrupt the --

18 MR. BENJAMIN: Your Honor, the statement
19 essentially that I asked for a foundation on is
20 going to be a hearsay statement by Ms. Sutton. I
21 don't have necessarily an issue as much with that.
22 But when she starts getting into the statements that
23 were made by Mr. Burns, those are going to be
24 confrontation issues, because there --

25 THE COURT: I agree with that. Script it

1 out. I think the only thing she can say about what
2 Mr. Burns said --

3 MS. TORRACO: Yes, if --

4 MR. BENJAMIN: I believe that is a
5 confrontation issue, a drug debt issue, because
6 that --

7 THE COURT: They might be able to
8 establish drug debt from the words of the two
9 Gallegoses.

10 MR. CASTELLANO: That's the current plan,
11 Your Honor.

12 THE COURT: That's a statement by the
13 party opponent.

14 MR. BENJAMIN: That is, but the pretrial
15 motion in limine dealt with statements coming in
16 through Ms. Sutton by Mr. Burns.

17 THE COURT: You're saying they're not
18 admissible?

19 MR. BENJAMIN: Confrontation, California
20 v. Giles, and I believe there was a motion filed.
21 She was going to be later in the day, and we were
22 going to take this up later.

1 MR. CASTELLANO: For her to say that the
2 Gallegos brothers said they didn't -- that I have
3 enough money for the drugs, and Mr. Burns confronted
4 them about that from time to time, that doesn't
5 require any statements.

6 MR. BENJAMIN: To the extent she knows
7 that, I don't think I can keep that out.

8 THE COURT: Okay. Why don't you just lead
9 her, then, through this, and that will --

10 MS. TORRACO: If the statement was made by
11 Joe Gallegos, we're asking for a limiting
12 instruction.

13 THE COURT: He's saying he's not going to
14 elicit any statements from him on this; he's just
15 going to elicit the actions here.

16 MS. TORRACO: If that's the case, I
17 misunderstood. I thought that he said he was -- my
18 apologies, and the brief, the motion filed was not
19 very impressive. I just wanted to raise a Sixth
20 Amendment issue.

21 THE COURT: But I guess what you're saying
22 is: Things that fall into the exception here to
23 hearsay rules, these exceptions are related.

24 MS. TORRACO: I'm saying the Constitution
25 doesn't allow them. That's what I'm saying.

1 MR. BENJAMIN: It's essentially a
2 confrontation issue, and California v. Giles is a
3 forfeiture, an individual killed his ex-wife, and
4 there were some statements that were made, and so
5 there is an argument that the confrontation by
6 wrongdoing requires that in order to get in the
7 decedent's statements; i.e., in this case the debt,
8 that he was going over to collect a debt, would
9 require a showing that Mr. Gallegos, either one of
10 them, intended to prevent him from being able to
11 make that statement.

12 THE COURT: My memory is -- and this is
13 catching me a little cold --

14 MR. BENJAMIN: I apologize.

15 THE COURT: -- the hearsay exceptions that
16 were at issue in the California case are not the
17 hearsay exceptions that are at issue here. And so
18 that there is no violation of the Confrontation
19 Clause with these exceptions.

20 MR. BENJAMIN: And I just hope that we're
21 not talking about different ones, because we came up
22 here on a statement that Mr. Castellano is going to
23 prove. But I'm talking about the motion in limine.

24 THE COURT: I understand, but I don't
25 think those violate the Confrontation Clause because

8 MR. COOPER: On another matter, Mr. Castle
9 texted me he's not going to be back Thursday
10 morning, and I would at this point like you to
11 inform the jury whenever. His elderly father lives
12 in Massachusetts. They're putting him into hospice,
13 and he's going back tonight, actually, to Denver to
14 visit with his family, and then off to
15 Massachusetts.

16 THE COURT: Do you want me to say the

14 going to ask you if there were times when you were
15 present at a deal between Mr. Burns and the Gallegos
16 brothers when they didn't have enough money for the
17 drugs?

18 A. Yes.

19 Q. And on those occasions, what would
20 Mr. Burns do?

21 A. He would front them drugs.

22 Q. What does that mean, to the members of the
23 jury who don't understand what fronting drugs means?

24 A. He would give them the drugs until they
25 could get money to him.

3 A. Yes.

7 A. Scrap metal.

8 Q. Did they ever say, generally, some of the

10 A. They would go down to the river and cut
11 those big X metal frames next to the river.

2 A. Correct.

3 Q. How much did he have? Were you able the
4 see it, or see him weigh it, or anything else like
5 that?

6 A. Yeah --

7 MS. TORRACO: Objection to foundation.
8 I'd ask a more sufficient foundation.

9 MR. CASTELLANO: That was my question,
10 Your Honor.

11 THE COURT: How she knows how much drugs
12 he had?

13 MS. TORRACO: Can we approach on that,
14 please?

15 THE COURT: All right.

16 (The following proceedings were held at
17 the bench.)

18 THE COURT: Do you want him to ask how she
19 knows how much drugs he had?

20 MS. TORRACO: Well, I don't want him to
21 ask that, because what's happening, he's now relying
22 on hearsay. We have a confrontation problem because
23 we have a right to confront.

24 THE COURT: I don't think you have that
25 because none of this is testimonial, so I think the

1 confrontation issue is just way out of the question.
2 You may have a hearsay objection, but we can stop if
3 you're raising the hearsay question. Are you going
4 to try to elicit any more statements other than the
5 ones that are part of the motion in limine?

6 MR. CASTELLANO: No, Your Honor. She saw
7 the drugs.

8 THE COURT: Lay the foundation without
9 getting the statements in.

10 MS. TORRACO: And I regret that I didn't
11 object to the question before that, which was, you
12 know, how did you know on November 12. And she
13 comes back and says that he had said it was his last
14 sale, or that was going to be his last deal. And no
15 matter how the question was asked, it elicits a
16 statement of Adrian Burns, expressing his intent.
17 And I believe it falls under the Sixth Amendment
18 right to confront.

19 THE COURT: It's nontestimonial. None of
20 this is going to be subject to the Sixth Amendment.

21 MS. TORRACO: But it's not reliable. How
22 can we test reliability? She could just be making
23 this up.

24 THE COURT: Those are different issues
25 that sometimes go to our hearsay exceptions. But

1 he's not going to elicit any more statements except

3 because they're not testimonial. And then -- but
4 he's going to lay a foundation as to how she knew
5 how much he had. I assume that's going to be by
6 some observation.

7 MR. CASTELLANO: It is, Your Honor.

8 MS. TORRACO: I thought on the motion on
9 the chart, my memory is that the Court said unless
10 it has first been established between Joe and Andrew
11 that those statements wouldn't come out under -- I'm
12 skipping to Joe and Andrew's statements that they
13 knew that Joe and -- which is the next part of
14 this -- that they knew that it was his last sale.
15 That wasn't in the chart. I think what I just said
16 is really jumbled, but you know what I mean?

17 THE COURT: I don't think I have heard
18 that she was going to say anything about this being
19 part of her last sale. I don't think anybody has
20 presented that to me up to this moment.

16 going to have you describe to the jury how much --
17 when you said this was the last of his drugs, how
18 much was it that you saw that he had?

19 A. It was in a sandwich bag, and it was
20 probably a ball like this.

21 Q. You held out your hand, and said a ball
22 like this. And if you had to describe it in terms
23 of a size of a ball -- let me give you an example:
24 Golf ball, baseball, or other size ball?

25 A. A baseball.

3 A. Yes.

4 Q. And how was it packaged? You mentioned

6 A. The 20s were in -- they were both in tin
7 foil. But the 10s had a mark, a red dot on it, so
8 he knew that was 10s.

9 Q. And then were those 10s or 20s inside of

11 A. Yes. They were all packaged the same way.
12 The heroin went inside the Walmart bag, the bag went
13 over the tin foil, and that's how he packaged it.

3 | BY MR. CASTELLANO:

4 Q. Ms. Sutton, to your left is a monitor.
5 I'm going to show you what has been admitted as
6 Government's Exhibit 894.

7 And I'll ask you if you recognize what's
8 in that photograph or exhibit?

9 A. That is the Allsup's in Rio Communities in
10 Belen.

11 Q. Okay. I'm going to circle, on this aerial
12 view, the number 47 and the number 304. Do you know
13 where that intersection is?

14 A. Yes, New Mexico 47. Yes. It's in Rio
15 Community.

16 Q. And what's the closest -- when you mention
17 those communities, what is the closest city or town?

18 | A. Belen ..

19 Q. Let me show you next Government's Exhibit,
20 892.

21 | What are we looking at there?

A. The same Allsup's in Belen.

23 Q. I'm going to circle a little sign behind a
24 red car in this exhibit. Is that the Allsup's sign?

25 A. Yes.

1 Q. Now, I'm going to show you Exhibit 893.

2 Is that another picture of the Allsup's?

3 A. Yes.

4 Q. What significance does this Allsup's have
5 when you think about Mr. Burns' drug dealing?

6 A. That's where he would meet.

7 Q. Is that one of the locations?

8 A. Yes.

9 Q. And the times you were with him, what
10 would he do when he would drive into the parking lot
11 for a deal?

12 A. Meet the brothers, and they would pass the
13 money, and he'd give the drugs.

14 Q. And can you tell us whether it would be
15 kind of closer to the store, which is what I'm
16 circling, or farther away from the store, where I
17 circled the "do not enter" sign? Where would it
18 normally be?

19 A. It varied. There was times where it was
20 close up, and times where it was back. It depended
21 if there was people there, if he was pumping gas.

22 Q. And did you say you were present when he
23 dealt to the brothers?

2 A. Yes.

3 Q. And in addition to that Allsup's, what
4 were some of the other locations where you would be
5 with him when he would deal?

6 A. The Allsup's in Los Chavez, the Allsup's
7 in Los Lunas, it could be the Family Dollar next to
8 the Allsup's.

9 Q. Now, I want to take you to Monday,
10 November 12, 2012, and I want to ask you how you
11 started that day.

12 A. I got up, I got ready for work, I dropped
13 Adrian off, and my son at his mother's house.

14 Q. About what time was it?

15 A. 8:30.

16 Q. 8:30 in the morning?

17 A. Yes.

18 Q. And then you went to work?

19 A. I then went and headed to work.

20 Q. What happened after work?

21 A. I came back, picked my son up, and Adrian.
22 We went home. We cooked dinner.

23 Q. Okay. And about what time do you think

1 A. Sleepy. I asked him if --

2 Q. I won't ask you what he said, but did you
3 call Sleepy trying to locate Mr. Burns?

4 A. Yes.

5 Q. And was he able to provide any help or
6 information to you?

7 A. No.

8 Q. Did you ask him to just be on the lookout
9 for Adrian if he should run into him?

10 A. I did.

11 Q. Once you talked to Sleepy, where did you
12 go next?

13 A. I was going to Joe Lawrence's trailer.

14 Q. And did you, in fact, head that direction?

15 A. I did.

16 Q. To the best of your memory, about what
17 time was it that you were driving around at this
18 point in time?

19 A. Around the 9:15.

20 Q. And what happened as you approached Joe
21 Lawrence and Smiley's trailer.

22 A. I ran into Sleepy walking down.

23 Q. And is this the same Sleepy you called on
24 the phone?

25 A. Yes.

1 Q. When you say "walking down," he was
2 walking down from where?

3 A. The top of Miller Road.

4 Q. And did you know whether he lived in that
5 area?

6 A. I knew he lived somewhere in that area.
7 Not the exact house, no.

8 Q. And from where you saw him, how close or
9 far was he from the Gallegos' house?

10 A. In the middle.

11 MR. BENJAMIN: Objection, Your Honor,
12 validation. I don't think she's testified to facts
13 not in evidence. She testified she doesn't know
14 where the Gallegos house is.

15 MS. TORRACO: And speculation.

16 THE COURT: Well, it sounds like she's
17 saying what she's observing. So lay a little more
18 foundation to make sure that we're all at the same
19 place.

20 MR. CASTELLANO: Sure, Your Honor.

21 BY MR. CASTELLANO:

22 Q. Did you know the area where the Gallegos
23 brothers lived?

24 A. Yes.

4 Q. And did you have a conversation with
5 Sleepy?

6 A. I did.

7 Q. Did you let him know you were still

9 A. I said, "Sleepy, where the fuck is Adrian?
10 He said he was coming up here."

11 He said, "Don't go up there, don't go up
12 there. Get the fuck out of here," he told me.

13 I said, "No, where is Adrian? Is he up

15 He said, "Just get out of here."

16 MR. BENJAMIN: Objection, hearsay.

4 Q. When you -- going back to when you first

7 A. Middle point from the main road to their

9 Q. If you could give us a distance or a drive

11 A. Maybe four houses.

12 Q. And was he coming from the area of their

14 A. Yes, in the area of their trailer.

15 Q. Now, I'm going to show you Exhibit 421,

17 Do you recognize what's in that exhibit?

18 A. Yes.

7 A. No.

8 Q. And did you -- were you aware of any

11 A. It was dark. There was nothing.

12 Q. Was there any light illuminating the

14 A. There was like a light -- like a light
15 shining down.

16 Q. Kind of like a light post?

17 A. Yeah.

18 Q. About how long did you stay at that house
19 looking for either Adrian or your vehicle?

20 A. Not long. My mom said, "Let's get the

11 A. I then returned to my mother's.

12 Q. Did anything else happen there, or were
13 you just continuing to take steps to find him?

14 A. No, we just got home. I got a phone call

18 A. Michael.

19 Q. And did he direct you to do anything? I

8 and I know she said that bit about the gas, which I
9 struck from the record, but everything else
10 seemed -- came in like I scripted it in the opinion.
11 I know y'all got your objection preserved, but it
12 seemed to me she said no more, no less.

13 MR. BENJAMIN: She said a lot more, Your
14 Honor, but not hearsay statements but --

15 THE COURT: I understand that.

16 All right. You wanted to approach?

17 MR. CASTELLANO: Yes, because there is
18 what I consider an excited utterance by her brother,
19 and I want to elicit from her without approaching
20 first.

21 MS. TORRACO: I think she said her brother
22 said, "Get out of here." She said that, and I
23 didn't know that was coming. Otherwise, I would
24 have objected.

1 that I think can stay. But is she about to say
2 something else?

3 MR. CASTELLANO: She is. The first part
4 was a command. Her brother told her to get out of
5 there because he ran into the Gallegos brothers at
6 the gas station, and they said that they just pulled
7 a movida, which is a statement from other witnesses,
8 not from this witness, in the briefing.

9 THE COURT: Now, what is he saying, then?

10 MR. CASTELLANO: So her brother says --
11 tells her that he ran into the Gallegos brothers and
12 they told him that they just finished pulling a
13 movida, pulling a move or a job, and so that's why I
14 wanted to approach first.

15 MS. TORRACO: Is he going to be
16 testifying?

17 MR. CASTELLANO: I believe he is.

18 MS. TORRACO: Then it should only come in
19 through him.

20 THE COURT: What does that statement mean,
21 a move? Does that necessarily mean a murder, or is

2 that -- she was in a situation, she was worried
3 because she knew he was going over to the Gallegos

5 Adrian.

6 MR. BENJAMIN: Your Honor, there is not
7 really any way for me to deal with this other than
8 under the rules. But I will state -- and I've got
9 some decisions to make on cross -- but she provided
10 two tape-recorded statements. She doesn't provide
11 any of the information she's provided here today
12 that has been subject to this rolling discovery that
13 has been created in this case. I've never been
14 party to a matter where as many damaging statements
15 were suddenly referred to by agents. I'll admit I'm
16 not usually four and a half or five years down the
17 road, but none of these statements were made at the

1 determine whether it satisfies an excited utterance

7 Q. One thing I forgot to ask you, when you
8 saw Sleepy in the area of the Gallegos residence,
9 how was he acting?

10 MR. BENJAMIN: Objection, speculation,
11 Your Honor.

12 THE COURT: She can describe what she saw.

13 A. He was high, nodding.

14 BY MR. CASTELLANO:

15 Q. And why do you think he was high?

16 A. He had that raspy voice, his eyes were
17 real droopy.

18 Q. And had you seen anybody who looked like
19 that before?

20 A. Yes.

21 Q. Who had you seen look like that before?

22 A. Adrian.

23 Q. So when he was using heroin, still, did he
24 look and sound like Sleepy did that night?

25 A. Yes.

5 MR. BENJAMIN: Objection. I think this
6 answer is going to call for hearsay.

7 THE COURT: Well, let's don't get into
8 statements, just observations at this point.

9 BY MR. CASTELLANO:

10 Q. Did you run into Sleepy at Walmart?

11 A. I did.

12 Q. And can you tell us whether he walked
13 around with you at the Walmart?

14 A. He did.

15 Q. Who all was with you at the store?

16 A. Adrian and myself and Sleepy.

17 Q. Were you able to see the vehicle that
18 Sleepy was driving that day?

19 A. I did.

20 Q. What vehicle was it?

21 A. A white pickup with a flatbed.

22 Q. Did you recognize the vehicle?

23 A. Yes.

24 Q. How did you recognize it?

25 A. Joe Lawrence and Smiley would drive it.

8 MR. BENJAMIN: Your Honor, may we

10 THE COURT: You may.

11 (The following proceedings were held at
12 the bench.)

13 MR. BENJAMIN: Your Honor, I need to raise
14 this with the Court. Just for clarification, the
15 statement that I referred to earlier was an April 3,
16 2018, ROI that was disclosed, I think, on April 3 or
17 25. But we have an informal agreement with the
18 United States. And Jim Castle is the one that did
19 it. I'm not sure of all the parameters. I'll let
20 Mr. Castellano fill me in. But I understand that
21 the case agent was going to switch out. But part of
22 that agreement was that the case agent wasn't going
23 to be present when we were conducting examination of
24 a witness that they participated in, and Agent Neale
25 is the one that took the 302 of Ms. Sutton on April

2 MR. CASTELLANO: He's on the report.

5 MR. CASTELLANO: I think it is, Your

7 THE COURT: Why don't you, Ms. Armijo,
8 tell him to step out.

9 MS. ARMIJO: All right.

10 MR. CASTELLANO: Rather than
11 reapproaching, I think this is the point where we
12 get into the statements that the Court ruled on the
13 statements where Mr. Burns does the drug deal, and
14 then says to Sleepy something to the effect of --

15 MR. BENJAMIN: Essentially I'm going to
16 stop fronting the Gallegos brothers, need to tell
17 them to pay up or something.

18 THE COURT: This is what statement?

19 MR. BENJAMIN: I have it right here.

20 THE COURT: This is a statement by --

3 MR. BENJAMIN: This is in the motion in
4 limine, Your Honor.

5 THE COURT: The same one?

6 MR. BENJAMIN: It's this one right here.

7 MR. CASTELLANO: Yes, that's it.

8 THE COURT: Okay. This is that one at the

10 MR. CASTELLANO: Yes.

11 THE COURT: Let me refresh my memory. I
12 looked at the ones the night of the alleged murder,
13 but -- all right. So this is the bad-mouthing one?

14 MR. CASTELLANO: Yes.

15 THE COURT: Okay. Why don't you lead her

17 MR. BENJAMIN: Your Honor, I'm going to --

8 MR. CASTELLANO: Yes.

9 THE COURT: What's the statement, "I know

11 MR. CASTELLANO: Joe Lawrence owed him
12 money, so he accused him of coming to buy drugs for
13 Joe Lawrence, as well.

14 THE COURT: This Orndorff?

15 MR. CASTELLANO: Yes. When he says, "I'm

17 THE COURT: Well, it seems to me that that

4 THE COURT: But none of this is going to

6 MR. BENJAMIN: And, Your Honor, I think
7 that under California v. Giles, that the hearsay
8 rules don't change the Sixth Amendment right to
9 confront, the ability to confront Adrian Burns about
10 whether he did or did not say that. The first time
11 I saw that is April 3. This is an individual
12 interviewed twice on audio, and this individual has
13 been interviewed three times. Nobody has created
14 this statement until Agent Neale on April 3.

15 THE COURT: I think you can get the last
16 portion in. The first portion looks like it's being
17 offered for the truth. But then I need to give the
18 limiting instructions per the defendants' request.
19 So only for the fact that it was made, and not for

1 THE COURT: Why don't you wait.

2 I think if you want to get this in before
3 they start the cross, I think the brother's
4 statement does come in as an excited utterance.

5 Her testimony -- I think she has it in
6 that her brother made the statement in an excited
7 manner. I think that probably suffices.

8 There is a hearsay within hearsay problem
9 here, and what the Gallegos brothers said that they
10 just pulled a movida, but I think that's admissible
11 as an admission of a party opponent, and under
12 801(2)(A) and (B). And I think it's going to be a
13 declaration against interests under 804(B)(3). So I
14 think it solves -- it satisfies any double hearsay
15 problem. So if you want, before you conclude, Mr.
16 Castellano, I'll allow you to ask that question.

17 MR. BENJAMIN: Your Honor, and the defense
18 would reurge its prior objection, and also its prior
19 proffer, that there is essentially at least two
20 other recorded statements by both individuals that
21 don't reflect that that was ever made, or thought,
22 or even the threat was even suggested. And so I
23 think it doesn't bear any indicia of truthfulness or
24 reliability -- or not truthfulness, but the standard
25 is reliability. I apologize, Your Honor.

6 for about 15 minutes

7 (The Court stood in recess.)

8 THE COURT: You wanted to say something,
9 Mr. Castellano?

10 MR. CASTELLANO: Yes, Your Honor.

11 Mr. Benjamin did have a point about the statement
12 that Michael Sutton made to Amber Sutton. I don't
13 think Amber Sutton knew the source of the
14 information. But a lot of the information Michael
15 Sutton conveys to Amber Sutton is hearsay he learned
16 from somebody else.

17 So what I intend to do is shorten the
18 statement that when he was excited he told his
19 sister that he saw the Gallegos brothers at the gas
20 station, that he was concerned, and he told her to
21 pack a bag. Because the other information that
22 Michael Sutton had, he learned from somebody else.
23 So it would be a hearsay statement he conveyed to
24 her, so I was just going to shorten that statement

1 us about your brother calling you the night that
2 Adrian went missing?

3 A. Yes.

4 Q. And when he called you, did he tell you he
5 ran into the -- or saw the Gallegos brothers at a
6 convenience store?

7 A. Yes.

8 Q. And did he express some concerns to you
9 about what happened there?

10 A. Yes.

11 Q. And is that when he then told you to pack
12 your bag and get out of the house?

13 A. Yes.

14 Q. Thank you.

15 MR. CASTELLANO: Your Honor, I pass the
16 witness.

17 THE COURT: Thank you, Mr. Castellano.

18 Ms. Torraco, do you have cross-examination of Ms.
19 Sutton?

20 MS. TORRACO: Thank you, Your Honor.

21 THE COURT: Ms. Torraco?

22 CROSS-EXAMINATION

23 BY MS. TORRACO:

24 Q. Okay, good afternoon. I'm a little
25 confused. You said that you have a son with Adrian

2 A. Correct.

3 Q. He's 11 months old now?

4 A. No, he's six now.

5 Q. Okay.

6 A. He was 11 months at the time.

7 Q. So he was 11 months at the time of

8 Adrian's death?

9 A. Yes.

10 Q. Okay. The other thing that I was a little
11 confused about is at some point during your
12 testimony, you said that he was either always with
13 you or he was always with his mother; is that true?

14 A. Excuse me?

15 Q. During your direct testimony, you said
16 that Adrian was either with you or he was with his
17 mother?

18 A. Oh, yes.

19 Q. Okay. So there was no place else that he
20 would ever be, except with you or his mother; is
21 that true?

22 A. Yes.

23 Q. That doesn't make sense. Does his mother
24 go out on drug deals with him?

25 A. No.

3 Q. So you go on drug deals with him all the
4 time?

5 A. Not every time, no.

6 Q. Okay. So is there ever a time that either
7 you or his mother would let him go out on his own?

8 A. Yes.

9 Q. Okay. So it's not true that he would be
10 always with you or always with his mother; correct?

11 A. Correct.

12 Q. Okay. So let's back up a little bit,
13 because I have a couple more things I'm really
14 confused about. And one of them is about this
15 fronting of the drugs. Did that upset you that he
16 would front drugs to the Gallegos brothers?

17 A. No.

18 Q. Okay. And you had a full-time job, didn't
19 you?

20 A. I did.

21 Q. And what was your job?

22 A. A medical assistant.

23 Q. Okay. Where did you work?

4 question.

5 BY MS. TORRACO:

6 Q. Okay. Do you still work as a medical
7 assistant?

8 A. I do.

9 Q. Okay. I had that you worked at the
10 casinos.

11 A. I never worked at the casino.

12 Q. Okay. You don't work at the Isleta Casino
13 now?

14 A. No.

15 Q. And you didn't -- never worked -- or not
16 now, at the Route 66 Casino?

17 A. No.

18 Q. Okay. So you're still working full-time
19 as a medical assistant?

20 A. I am.

21 Q. Okay. So would you agree that if someone
22 were to front drugs, or give a customer something
23 for free, that's actually a good business plan
24 because it compels them to come back; right?

6 daily; right?

7 A. Yes.

8 Q. And sometimes more than twice a day?

9 A. Yes.

10 Q. So would it be fair to say that Adrian
11 Burns was their sole drug supplier; isn't that true?

12 A. Yes.

13 Q. Okay. But selling the bags of heroin for
14 \$20 or \$10, that's not enough to do his supporting
15 role in the family; isn't that true?

16 A. Can you repeat that again?

17 Q. Sure. It was a very awkwardly asked
18 question. Did you support the family?

19 A. I did.

20 Q. Okay. And did Adrian bring support into

7 A. Yes.

8 Q. Okay. So keeping \$1,000 cash or a couple

8 A. No.

9 Q. Do you know if he had other customers?

10 A. Yes.

11 Q. Do you know about how much money he made
12 every day?

13 A. Roughly 300.

14 Q. \$300 a day, and that would be all cash;
15 right?

16 A. Yes.

17 Q. And that \$300 cash a day, isn't it fair to
18 say that it would be not unusual for him to have at
19 least \$1,000 in the home, cash?

20 A. Yes.

21 Q. Okay. And who else would Adrian sell to?

22 A. Sleepy.

23 Q. Okay. And you've mentioned Sleepy several
24 times. Is that Daniel Orndorff?

25 A. I don't know him as that.

5 A. Babylon.

6 Q. Okay. And what did you call him?

7 A. Adrian.

8 Q. Okay. So Adrian sold to Sleepy. Who else
9 did he sell to?

10 A. There was other individuals, there was an
11 old man, two other men, there was a lady, and that
12 was roughly it.

13 Q. He only sold to four people?

14 A. Maybe like six, tops.

15 Q. Okay. So then how did he make \$300 a day
16 if he only had six customers?

17 A. It was not an everyday basis that he made
18 that \$300 a day.

19 Q. So he only sold to about six people,
20 that's your testimony, I believe?

21 A. Yes.

22 Q. Did your brother, Michael, did he do

21 Q. Um-hum.

22 A. When we agreed that he was going to get on

24 Q. So he had been telling you what, one time?

25 A. That he was going to stop using heroin?

1 Q. Um-hum.

2 A. When we agreed for him to be on methadone,
3 I figured that was it. I never seen Adrian high on
4 heroin no more.

5 Q. Not that you know of?

6 A. Not that I knew of. I never seen him high
7 on heroin.

8 Q. But now you agree that he actually was
9 using illegal drugs, including heroin; isn't that
10 true?

11 MR. CASTELLANO: Objection, calls for
12 hearsay.

13 THE COURT: Sustained.

14 BY MS. TORRACO:

15 Q. Isn't it true that you and Adrian broke up
16 several times?

17 A. We had our fights, yes.

18 Q. And isn't it true that you and Adrian
19 broke up several times?

20 A. Yes.

21 Q. And you guys had some very serious
22 domestic issues; isn't that true?

23 A. No.

24 Q. Did you tell my investigator, Gabby, that
25 there was domestic violence?

1 A. I never spoke with a Gabby.

3 guys were on again, off again. Is that how you
4 would characterize your relationship?

5 A. We had our arguments, yes. If anything,
6 he left to his mom's, he was back the next night.

7 Q. So I think your testimony on direct was
8 that Adrian left the home that night about 6:45 to
9 6:50. How did you come up with that time?

10 A. The game just started.

11 Q. What game?

12 A. I was watching the Steelers play, so it
13 started at 6:30.

14 Q. Okay.

15 A. Roughly around 6:45.

16 Q. Okay. So he left shortly after --

17 A. It started, because that's another reason
18 I didn't go.

19 Q. Because you liked watching the Steelers?

20 A. Yes.

21 Q. Who were they playing?

22 A. Kansas City Chiefs.

23 Q. And at some point, then, you called his
24 mom?

25 A. Yes.

5 A. Around 8:00, 8:30.

6 Q. Who was your phone provider at that time?

7 A. Verizon.

8 Q. Did you have the same phone number that
9 you have today?

10 A. I do.

11 Q. And have you taken a look at your phone
12 records to confirm what times you made these calls?

13 A. That night that I went, I did look at my
14 phone records the night he left, yes.

15 Q. Okay. Have you looked at those phone
16 records since that time?

17 A. I don't have the same carrier no more.

21 A. -- two years ago.

11 A. It was at least a month. It was
12 Christmastime when I finally left. So maybe the
13 16th, 15th, December 15, 16, because I went to the
14 Dollar Store just to put up a tree for the boys.

16 of heroin?

17 A. Yes.

18 Q. And so within that baseball are the
19 Walmart wrapper and the tin foil?

20 A. Yes, ma'am.

21 Q. That's how you described it. So in that

3 A. I don't have phone records on me, but I
4 did call the police the night before, and I called
5 New Mexico State Police on my way to the scene.

6 Q. And your phone records don't show you
7 calling Adrian Burns that night, either?

8 A. That's a lie. I called him numerous times
9 and I texted him numerous times.

10 Q. And so his phone records will show that?

11 A. Yes.

12 Q. And if they don't, we can assume that that
13 didn't happen.

14 A. Then look on the phone records, because
15 maybe he didn't answer -- because he didn't answer.
16 Look at my phone records. I called Adrian numerous
17 times that night and he did not answer. And I
18 texted him.

19 Q. Did you provide your phone records to the

21 A. I gave permission.

22 Q. Okay. Did you provide your phone records
23 to the New Mexico State Police?

24 A. Excuse me, repeat that?

25 Q. Did you give them your phone records?

7 A. I don't know what you've seen.

8 Q. Let me go back to the methadone. Adrian
9 was going to methadone every day?

10 A. Not every day. He got weekly take-homes.
11 In the beginning, yes.

12 Q. Okay. And you know that when you're on
13 methadone, you can't have heroin; right?

14 A. Correct.

15 Q. And heroin -- methadone doesn't show up as
16 heroin in your blood?

17 A. Repeat that?

18 Q. Methadone doesn't show up as heroin in

6 MR. CASTELLANO: Yeah. May we approach,
7 Your Honor?

8 THE COURT: You may.

9 (The following proceedings were held at

11 MS. ARMIJO: Your Honor, this deals
12 with -- we were going to call in a custodian of
13 records to bring in -- from T-Mobile, and because
14 the defense did not initially agree to us -- agree
15 to us bringing those records in. But since then, we
16 have subpoenaed them, and we have a full month's
17 worth of phone calls.

18 So I had suggested that we don't oppose
19 what she provided, which is hearsay, technically,
20 because she's not a custodian of the records. She's
21 just pulling off the website which she has, unless
22 they would agree to the entire month's records.

23 THE COURT: You're saying that she can't?

24 MS. ARMIJO: I don't think she can lay the
25 foundation. She's just getting them, so we would

1 need a custodian of records unless there is
2 agreement. So my proposal was to them the entire
3 month of the phone records -- for them that we
4 received, not just one snippet. And they don't want
5 to agree. So we will bring them in certainly now,
6 having to fly in somebody from T-Mobile just for
7 certification of the records. So that's why we're
8 not agreeing, because we think --

9 THE COURT: I don't think she can probably
10 lay the foundation for business records. So I
11 probably will have to sustain the objection. But
12 you've got the proposal to get that, and more, in.

13 MR. BENJAMIN: My issue with the proposal
14 is this is part of the motion to continue --
15 adjournment. The Government went looking for phone
16 records that I had asked about, not agreed to
17 stipulate to or anything else, but I asked because
18 there's documents in that file that say a phone
19 analyst looked at records and made a report. I

11 A. Yes.

12 Q. Do you remember her?
